

# OSRAM Medical Mini-Halogen Lamps

## Halogen Light Sources for Welch Allyn Medical Devices

OSRAM, an industry leader in specialty lighting, introduces the Medical Mini-Halogen family of light sources for Welch Allyn medical devices. The OSRAM Medical Mini Halogen family of replacement lamps is an exciting new addition to the OSRAM medical lighting product portfolio. These lamps combine the equivalent form, fit and function of the original equipment light sources and are available in an industry-standard convenient 6-pack box. Initially available in five of the most popular lamp types, look to OSRAM for your Medical Mini-Halogen replacement lamp needs.

Otoscope
